Subject: Protecting NAV on Primary

We (Reserve Management Company Inc.) intend to protect the NAV on the Primary fund to whatever degree is required. We have spoken with the SEC and are waiting for their final approval which we expect to have in a few hours. You may communicate this to clients on an as needed basis.

Eric if you want something on the website I need to see language for approval first, thanks.

Click to view "In the News" and see how The Reserve, the leading innovator in cash management, has been prominently featured in the headlines by staying focused on safety, liquidity and a reasonable rate of return.
